I am delighted, though, that Sharkey is not badly hurt, for he is a good fellow. He fought just the way I thought he would. He came at me with a rush, and I had no trouble in reaching him. I cannot say what I think of Sharkey, because the fight was too short to size him up. He is not as good a man as Ruhlin, though, Ruhlin is more clever, but Sharkey depends mostly upon rushes to win. He can hit harder than Ruhlin, and is a game fellow."
